**Supporting Evidence:** Mr. Martinez is alleged to have violated a mandatory condition of supervised release by incurring a new law violation, second degree driving with a license suspended or revoked (DWLS), on or about October 1, 2021.

On January 16, 2020, Mr. Martinez reviewed the judgment and sentence and signed the paperwork noting he understood the conditions of his term of supervised release, which included mandatory condition number 2.

On October 3, 2021, Mr. Martinez reported to this officer by text message that he was in a car accident on Friday, October 1, 2021, at around 11:30 p.m. This officer asked him if he was ok and whether a police report was made. He responded that he was bruised on his chest, but was otherwise ok. He also stated he was cited for driving with a suspended license.

This officer obtained the Pasco Police Department incident report dated October 4, 2021. The report detailed that an officer reported to the scene of an automobile accident. Upon arrival, the officer observed a black Chrysler 200 and a gray Kia sedan stuck together with extensive damage. The Kia was unoccupied and the Chrysler was occupied by Mr. Martinez. The officer observed Mr. Martinez grab at his chest and he appeared “incoherent,” and had “slurred speech.” Due to Mr. Martinez’s state, an ambulance arrived and he was transported to the hospital.

According to the police report, the Kia was parked on the east side of the street and based on observation, it was believed that the Chrysler was traveling west and crossed the center line crashing into the Kia. Mr. Martinez was cited for second degree driving while license suspended or revoked, failure to drive on the right side of the road, and operating a motor vehicle without insurance.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violations previously reported to the Court. Mr. Martinez is set to appear before the Court on October 5, 2021, for an initial appearance on pending violations 4-5.

I declare under penalty of perjury that the foregoing is true and correct.
